

2012 CHAPPAQUIDDICK COMMUNITY CENTER CALENDAR

This year we will publish our Sixth Annual Chappy Calendar. We expect the calendars to be ready to ship by the end of November. The winners (that you, the Chappy community, have selected as "the best photograph") will appear on the front and back cover (first place winners in the adult and children categories). Other photos will appear on the monthly pages.

Now is the time to pre-order your 2012 Chappy Community Center Calendar to avoid disappointment as they have sold out in the past. They make great holiday gifts, and also don't forget to get one for yourself. The calendars this year will be the same size as last year, 11" by 17" when open.

The calendars may be mailed or picked up at the CCC. We will keep you posted via the Chappy column and the CCC website as to times and dates for pick up (plan for Thanksgiving weekend). You can also find a copy of this order form on our website at [www.chappycommunitycenter.org](http://www.chappycommunitycenter.org). We would be remiss if we didn't once again say a huge Thank You! to all of our very generous advertising sponsors. Please help us in thanking them by supporting their businesses.
