TTOR NATURE PROGRAMS

Trustees of Reservation programs led by Sara Mello-Trudel.

Snorkel Safari (Ages 6 – 12)

Children who have ever wondered what really lives “under the sea” will have an opportunity to use masks and nets to see crabs, seaweeds and fish that call Poucha Pond home. Nets and masks are provided. Bathing suits and water shoes are required. Restrooms are located at the Dike Bridge gatehouse. Please circle class in which you are interested. Participants are to be dropped off at the Dike Bridge and will walk to the snorkeling area.

Night Hike (Ages 4 – 8 with parent or guardian)

Families that have ever wondered what flies, hunts, squeaks and screeches under the cover of darkness will have an opportunity to strap on a headlamp and take a hike through the Mytoi Saltmarsh to look for the Not-So-Creepy Creatures of the Night! With the use of an underwater lamp, a bat detector, a million candlepower spotlight, headlamps, nets, and moth attractors, children will get to experience a variety of animals that call Chappaquiddick home! End the evening with cookies and a drink, and don't forget your coloring book! Did we mention that we have a spotting scope available because we plan these programs under the many visible phases of the moon?

Monday, August 11, 2008 7:30pm to 8:45pm. Please meet at the Mytoi Gatehouse.
